I used tunisian crochet for the pillow case (single crochet only). All the other parts are crocheted using a normal 2,5mm hook.  
If you're not familiar with tunisian crochet here is a good tutorial.

This pattern is no exact science ! Depending on how tight or loose your stitches are the pillow may turn out not to be a square and you may have to add a few rows to the sides. Using a 4,0mm hook my labyrinth was 36x50cm. After adding more rows on both sides I sew the finished object onto an existing 50x50cm pillow case.

I recommend to use a 4,0mm hook and Schachenmayr smc Bravo.

Follow the pattern when you draw up the loops. On your way back just use the same color for every stitch. Numbers in black are stitches crocheted using black yarn, for the blue ones use blue yarn
