Abbreviations & Material
sc = single crochet
* = repeat until end of round/row
( ) = number of stitches
sc = single crochet
slpst = slipstitch

Sherlock fits perfectly on the usual approx. 6,5 x 2 cm lipbalm.
I used a 2,5mm hook and Schachenmayr Catania.

Part 1
(should fit the cover tightly, can be adjusted)

use black yarn
chain 2
6 sc in 2nd from hook
Rnd 1: 2 sc in each st around (12)
Rnd 2: *sc in next st, 2 sc in next st (18)
Rnd 3: *sc in backloops only
sew loose end on the inside
Rnds 4-21: sc around
Rnd 22: (in front loops only) 16 sc, chain 1, turn
Row 23: 2 sc in next st, 14 sc, 2 hdc in last st, chain 1 and fasten off, sew loose ends, fold collar down and embroider button hole.

Part 2

use skin coloured yarn yarn
chain 2
6 sc in 2nd from hook
Rnd 1: 2 sc in each st around (12)
Rnd 2: *sc in next st, 2 sc in next st (18)
sew loose end on the inside
Rnds 3-9: sc around
end with a slpst, leave end for sewing

Wig

This part requires a bit more patience ;-). To skip a strand means you just hold the strands of the last round away from you and insert the hook into the next stitch. While skipping a strand you may have to pull the yarn a bit more tightly than usual. Use only the stitches between the strands.

use brown yarn
chain 2
6 sc in 2nd from hook
Rnd 1: * chain 5, 4 sc, 1 sc in next st, chain 5, 4 sc, 1 sc in same st (12)
Rnd 2: * chain 5, 4 sc, skip 1 Strand, 1 sc, chain 5, 4 sc, 2 sc in next st (18)

Rnd 3: sc around, end with a slpst, leave end for sewing.

Embroider face and sew wig to head.
Sew both parts together with 3 stitches so you can open Sherlock`s head to the back.
