Carrot & Greens

Starting at the tip

chain 2
6 sc in 2nd from hook
Rnd 1: 2 sc in each st around (12)
continue working around, increasing 2 stitches per round, one stitch at the beginning and one on the opposite side. Check regularly if carrot fits onto the cap. You might have to increase more ore less stitches depending on how tight your stitches are.
Continue until carrot reaches the red line. Sc around until you reach the end of the cap. Fasten off

use green yarn
slpst into the tip of the carrot
* chain as many stitches as you please (5-30), turn and work sc back to the tip
Maybe you want to crochet one strand long enough to reach Bunny`s paw so you can`t loose the cap.
